

21 September 2006

Dearest Tacy – it is my absolute pleasure to re-welcome you to the Chancellor’s Outreach Advisory Board. Your ‘field’ experience in outreach and recruitment and your commitment to higher education, not just to UCSB, are but a few of the reasons I am happy to have you aboard again.

Faculty Outreach Grants, Student Initiated Outreach and the Oxnard grant are each on the agenda for next week. Veronica will be sending you a packet with background material on current proposals and a set of COAB minutes from last year.

Thanks,

Joe
