

The following Attestation must be signed and agreed upon by all researchers gaining access to Engineering II, Engineering Sciences Building, Elings Hall, Harold Frank Hall, BioEngineering Building, Building 570, and associated buildings.

I have read and will comply with the College of Engineering COVID-related policies and procedures for a Stage 3 reopening:

Specifically

1. The Lab quotas/FTE's and scheduling procedures outlined in the Building Access Plan and provided by my PI and understand that failure to follow these procedures will result in removal from Stage 3 research.
2. The Sanitation, Protective equipment, and Social Distancing Protocols outlined in the Building Access Plan for my building:
