Info Session: An "Info Session" is a night devoted entirely to a company that we bring to campus. The company and its reps (sometimes UCSB alumni) present on their backgrounds, the type of work they do, and what you can expect to do if you were to work there. An Info Session is the best way to engage with companies on a personal level and get a good understanding and the culture of the company.

Contact: Ashley Antoon, College of Engineering: antoon@engineering.ucsb.edu or Maddie Foster, Career Services: Maddie.Foster@sa.ucsb.edu.
